OF EXCELLENCE & INNOVATION

Pioneer Eclipse was founded in 1978 with the introduction of a new propane burnisher technology and compatible floor finishes to the Jan-San industry. Our company continues to be recognized as a leader and innovator in floor care systems, with an emphasis on propane powered equipment, electric and battery powered equipment, innovative floor coatings and cleaning products. We have also developed a comprehensive offering of facility sanitation and hygiene products to compliment facility floor care.

Pioneer Eclipse is located in Sparta, NC where our 33,500 square meter facility houses research and development, machine and chemical manufacturing, and is our primary distribution center. With a sales presence in over 40 countries and a manufacturing capacity of 113 million liters per year of chemicals, we are well positioned to meet any customer need. Pioneer Eclipse is a wholly owned subsidiary of Amano Corporation, a manufacturing conglomerate listed on the Tokyo Stock Exchange.

- Industry leader in propane powered floor machines
- Chemical manufacturing capacity exceeds 113 million liters per year
- Global presence in over 40 countries
- Innovator in concrete grinding and polishing technologies
- Full line of "GREEN" chemical products

See page 16 for the story on our Founder, William H. "Bill" Wilson

CUSTOMER SERVICE

Here at Pioneer Eclipse, we offer world class customer service for all of our customers.

Contact us by calling +1 336-372-8080.

You can also reach us at www.pioneereclipse.com/contact

Building Your Brand With Private Labeling

Private labeling Pioneer Eclipse products is your opportunity to leverage our expertise in R&D, Marketing, Regulatory, Procurement, and Manufacturing. We can help you expand your product line and to grow your business.

THE PRIVATE LABELING SERVICES WE OFFER:

- Expert Consultation On Choosing The Right Products
- Floor Machines Specified To Meet Your Customer's Needs
- Chemical Products Customized With Color And Fragrance To Differentiate Your Products
- Marketing And Design Services For Product Labeling And Sales Materials

Talk to your Pioneer Eclipse Sales Representative to learn more about how we can help build your brand with private labeling.

ENVIRONMENTALLY PREFERRED CLEANING PRODUCTS

A healthy environment is the responsibility of everyone involved with facility maintenance and management. We embrace this responsibility at Pioneer Eclipse by offering environmentally preferred cleaning products that are highly effective while limiting the undesirable effects on people and the environment.

EnviroStar is a full line of chemical floor care and cleaning products without many of the ingredients that typically cause allergic reactions and are proven to negatively impact the environment.

- NO** Zinc-Based Cross Linking Agents
- NO** Ethylene Glycol-Based Coalescent Solvents
- NO** Bioaccumulative Fluorocarbon Surfactants
- NO** VOC's Exceeding Regulatory Limits
- NO** Environmentally Toxic Preservatives
- NO** Alkyl Phenol Ethoxylate Surfactants
- NO** 2-Butoxyethanol
- NO** Phosphates In Cleaners
- NO** Ammonia In Cleaners
- NO** Flammable Solvents
- NO** Non-Recyclable Packaging

Pioneer Eclipse also produces industry leading environmentally preferred propane powered floor machines. Our proprietary EPS (*Eclipse Power System*) burnishers, grinders and polishers produce a fraction of the harmful byproducts that are emitted by other competitive machines.

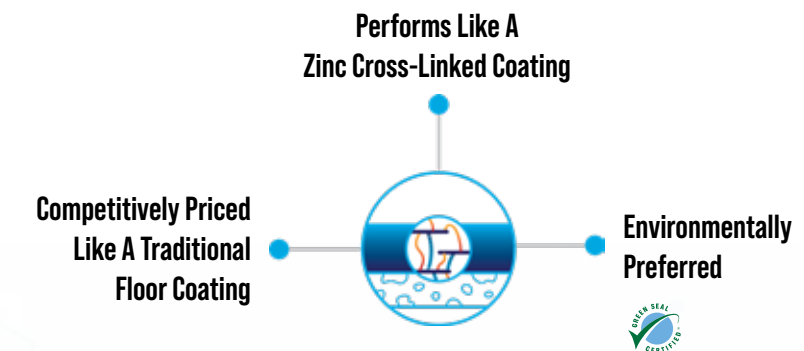

When combining EnviroStar cleaning products with EPS propane powered floor machines, it is easy to see why "green" facility managers from around the world choose the environmentally preferred products of Pioneer Eclipse.

ADVANCING FLOOR COATING TECHNOLOGY

Pioneer Eclipse uses Dualbond™ Technology to overcome the challenges of other "green" floor coatings to produce an exceptionally durable shine that is easy to apply and maintain.

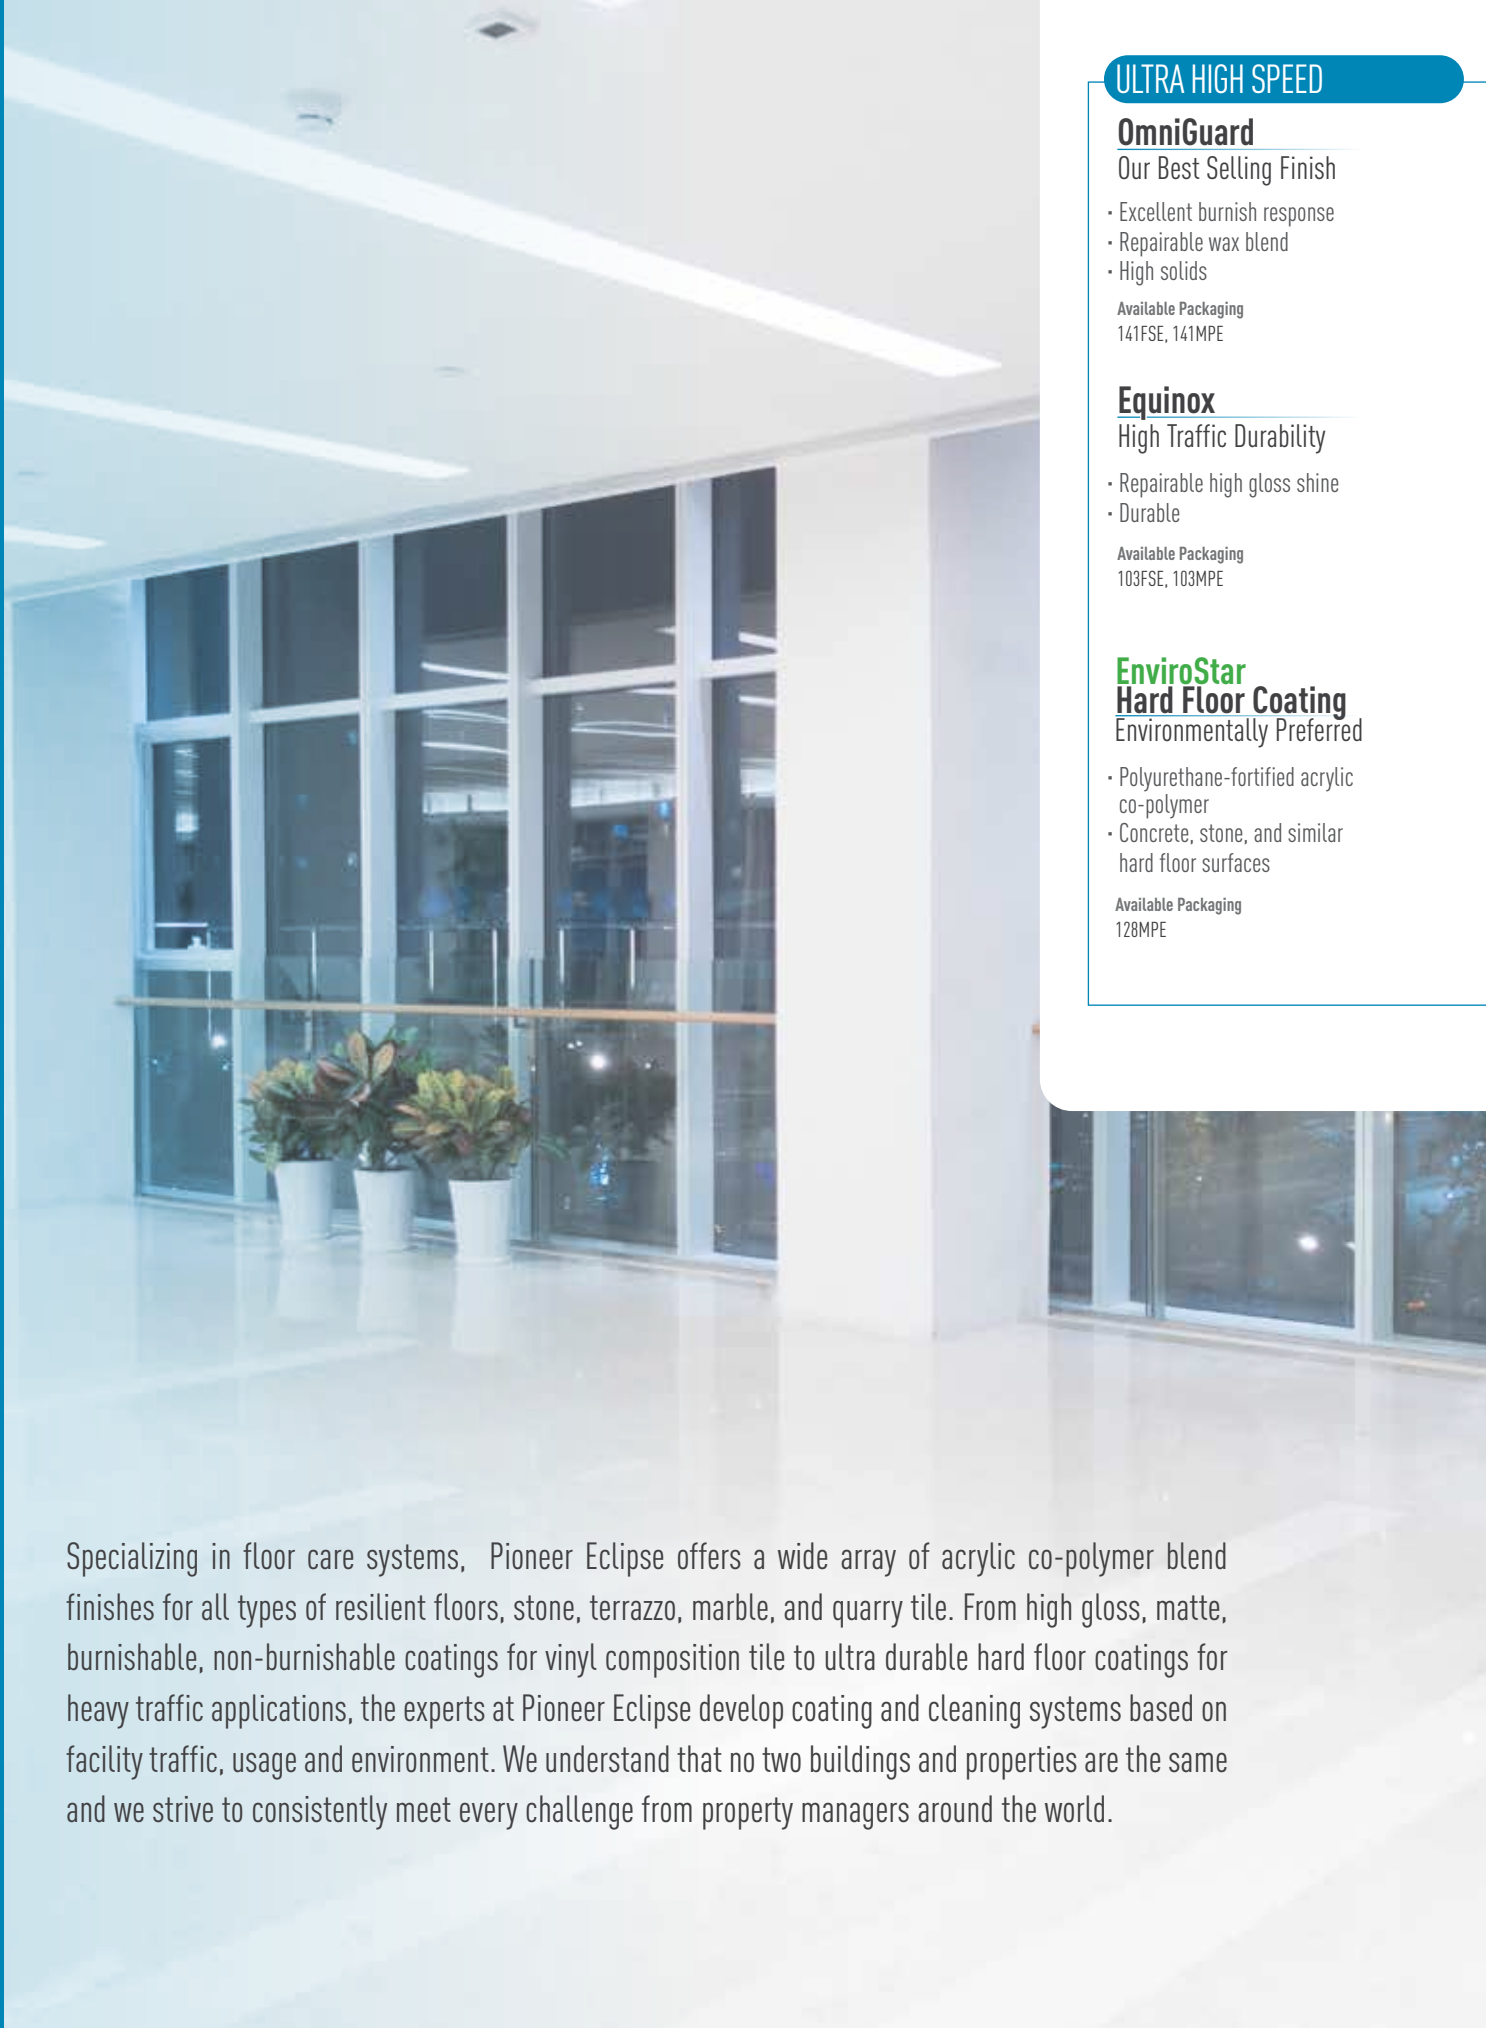

Dualbond™ Technology uses calcium cross-linking with a strong covalent bond to produce a floor coating that performs like a traditional zinc cross-linked coating.

Valor ULTRA HIGH SPEED FLOOR COATING

Dualbond™ Technology is used exclusively in our EnviroStar Valor Ultra High-Speed Floor Coating.
Strong Durable Shine | Scuff & Dirt Resistant | Stain Resistant | Easy Repairs | Easy Removability

FLOOR FINISHES

Specializing in floor care systems, Pioneer Eclipse offers a wide array of acrylic co-polymer blend finishes for all types of resilient floors, stone, terrazzo, marble, and quarry tile. From high gloss, matte, burnishable, non-burnishable coatings for vinyl composition tile to ultra durable hard floor coatings for heavy traffic applications, the experts at Pioneer Eclipse develop coating and cleaning systems based on facility traffic, usage and environment. We understand that no two buildings and properties are the same and we strive to consistently meet every challenge from property managers around the world.

ULTRA HIGH SPEED

OmniGuard
Our Best Selling Finish

- Excellent burnish response
- Repairable wax blend
- High solids

Available Packaging
141FSE, 141MPE

Equinox
High Traffic Durability

- Repairable high gloss shine
- Durable

Available Packaging
103FSE, 103MPE

EnviroStar Hard Floor Coating
Environmentally Preferred

- Polyurethane-fortified acrylic co-polymer
- Concrete, stone, and similar hard floor surfaces

Available Packaging
128MPE

EnviroStar Valor
Environmentally Preferred

- Performs like conventional finish
- Green Seal & UL EcoLogo Certified

Available Packaging
146FSE, 146MPE

Diamond Shine
Our Lowest Price Finish

- Repairable high gloss shine
- Our best black heel mark resistance

Available Packaging
104FSE, 104MPE

EnviroStar HS25
Environmentally Preferred

- Premium high solid coating
- Durable, wet-look shine

Available Packaging
124MPE

SPECIALTY FINISHES

Atlas
Alcohol Resistant

- Alcohol resistant
- Single component, no mixing

Available Packaging
149FSE, 149MPE

FloorMatte
Ultra Low Sheen

- Highly scuff resistant
- Ideal for no-burnish and Eldercare applications

Available Packaging
114FSE, 114MPE

Total Eclipse
Urethane Fortified

- Impact resistant
- Repairable
- Ideal on stone, marble, terrazzo

Available Packaging
138FSE

EnviroStar Satin
Environmentally Preferred

- Highly durable satin coating
- Recommended for health care

Available Packaging
125MPE

LOW MAINTENANCE

EnviroStar Low Maintenance
Environmentally Preferred

- Highly scuff resistant
- Durable polymer & wax blend
- Zinc free

Available Packaging
123MPE

Stabrite
Dry Bright Floor Coating

- Highly scuff, scratch, black heel mark resistant
- Resistant to detergent scrubbing

Available Packaging
130MPE, 130FSE

WOOD

WoodStar
High Gloss Wood Floor Finish

- Durable acrylic coating
- No change in color or appearance of floor
- Low odor
- Quick dry time

Available Packaging
High Gloss: 702HGMPPE

WoodStar Satin
Low Sheen Wood Floor Finish

- Durable acrylic coating
- No change in color or appearance of floor
- Low odor
- Quick dry time

Available Packaging
Satin: 702SMPE

FLOOR SEALERS

Pioneer Eclipse Floor Sealers will protect, enhance, and help preserve the condition and appearance of many floor types. This versatile line of floor sealers offers the right product for any application, such as enhancing durability for high traffic conditions, stain protection, establishing a gloss-enhancing base, or the need for environmentally preferred products.

First Step Floor Sealer

For High Traffic Floors

- Fills gaps in porous floors
- Fewer top coats needed
- Cleaners will not damage seal coat

Available Packaging
401FSE, 401MPE

Eclipse Hard Floor Sealer

Enhanced Adhesion

- Excellent stain resistance
- Resists chipping/flaking
- Clear on the floor
- Won't alter appearance of floor

Available Packaging
403FSE, 403MPE

PrimeStar Base Coat

Build Gloss Quickly

- Fills gaps in porous floors
- Fewer finish coats required

Available Packaging
409FSE, 409MPE

EnviroStar Floor Sealer

Environmentally Preferred

- Fewer finish coats required
- Zinc free

Available Packaging
413MPE

WoodPrime Sanding Sealer

A Sanding Sealer to Optimize Adhesion

- Minimizes tannin bleed
- Low VOC formula
- Quick dry time

Available Packaging
701MPE

FLOOR STRIPPERS

Stripping floor finish can be one of the most labor-intensive jobs in professional floor care. Using the right stripping products and the right process can make all the difference. Pioneer Eclipse offers a range of floor strippers for fast high-performance stripping, slow drying, low odor, and even environmentally preferred solutions.

LOW ODOR

EnviroStar Low Odor Environmentally Preferred

- Removes both green & conventional sealers/finishes efficiently
- Can be used in occupied spaces
- Environmentally responsible
- Safe to use on linoleum

Available Packaging
515MPE

Eclipse Low Odor Versatile Performance

- Powerful stripping performance
- Can be used in occupied spaces

Available Packaging
510FSE, 510MPE

Formula X-TREME Super Concentrated

- 5x coverage rate of conventional strippers
- Concentrate: Easy storage, low waste

Available Packaging
549FSE, 549MPE

Formula X

Versatile Performance

- Compliments powerful stripping performance with open time

Available Packaging
503FSE, 503MPE, 503 A12E

Final Strip HD

Our Lowest Price Floor Stripper

- Effective stripping performance
- No overpowering odor

Available Packaging
502FSE, 502MPE

CHOOSING THE PERFECT FLOOR STRIPPER

	Actives %	Non-Butyl	Environmentally Preferred	Low Odor	Fragrance
EnviroStar Low Odor	43%	•	•	•	None
Eclipse Low Odor	35%	•		•	None
Formula X	52%				Citrus
Formula X-TREME	94%			•	None
Final Strip HD	34%				Lemon

Pioneer Eclipse's line of ceramic, concrete and terrazzo chemicals are formulated to address every aspect of professional hard floor restoration and maintenance. For densifying, sealing, protecting, and maintaining, this product line offers perfectly matched chemicals for ultimate hard floor care.

CONCRETE & TERRAZZO

HardCore Concrete Densifier Deep Penetrating Densifier

- Deep penetration into surface, reduces porosity to harden surface and increase durability
- Lithium silica & potassium silicate formulation
- Prolongs shine and stain resistance

Available Packaging
422FSE

Eclipse Penetrating Sealer Resists Stains & Etching

- Improves cleaning & maintenance effectiveness
- Resists stains & etching
- Keeps natural appearance of floor
- Water & oil repellent

Available Packaging
426MPE

Eclipse Anti-Slip Makes Floors Less Slippery Especially When Wet

- Maintains natural color & appearance of substrate
- Indoor/Outdoor
- Ready To Use

Available Packaging
427MPE

LockOut Floor Protector Resists Stains & Enhances Gloss

- Creates a breathable, ultra-hard, water repellent and dust-repelling surface
- Guards against stains
- Can be burnished to a high gloss

Available Packaging
423FSE

ReClaim Concrete Cleaner & Maintainer pH Balanced Daily Cleaner

- Maintains stain, oil and water repellency of floor guard
- Enables more effective cleaning performance

Available Packaging
354MPE

CERAMIC FLOORS

Eclipse Ceramic Restorer Penetrating Sealer

- Breathable, ultra-hard, water & dust repellent
- Guards against stains
- Can be burnished to high gloss

Available Packaging
458CFSE

Eclipse Ceramic HD Cleaner Heavy Duty Cleaner

- Effective on stubborn soils
- Fast acting
- Effective for initial grout & tile cleaning or periodic deep cleaning

Available Packaging
3028CMPE

Eclipse Ceramic Grout Sealer Indoor/Outdoor Grout Sealer

- Water-based solution resists oil & water stains
- Resists etching
- Improves cleaning & maintenance effectiveness
- Clear formula, does not change look of surface

Available Packaging
460CMPE

Eclipse Ceramic Daily Cleaner Cost Effective Floor Cleaner

- Specially formulated for ceramic tile
- Neutral cleaner
- Pleasant, long-lasting fragrance

Available Packaging
3024CMPE

You should find the right cleaner or degreaser for your customer's needs right here. We offer general purpose and environmentally preferred products effective on an extensive array of surfaces.

CLEANERS

Eclipse Neutral Cleaner

All Purpose Floor Cleaner

- Removes oils & grease
- Does not damage floor coating
- Daily use or periodic deep scrubs

Available Packaging
301MPE, 301FSE

NeutraFresh All Purpose Cleaner

All Purpose Cleaner with Lavender Scent

- Penetrating, long lasting fragrance
- Neutral cleaner

Available Packaging
345FSE, 345MPE

EnviroStar All Purpose Cleaner

Environmentally Preferred

- Low foaming
- No VOC's
- Easy recovery in automatic scrubbers

Available Packaging
330MPE

EnviroStar Ultra All Purpose Cleaner

Environmentally Preferred

- Effectively removes dirt and soil
- Super concentrate
- Economical

Available Packaging
339DD

ReBoot Deep Scrub Cleaner

Effective Deep Scrub Floor Cleaner

- Softens topcoat(s) for scrubber removal
- Effective cleaner
- Does not cause yellowing of coating

Available Packaging
342MPE

EnviroStar All Purpose Neutralizer

Environmentally Preferred, Improves Coating Adhesion

- Removes salt film
- Reduces floor alkalinity, improves coating adhesion
- Even coverage

Available Packaging
338MPE

DEGREASERS

Eclipse d-Limonene Degreaser

All Purpose Degreaser for all Hard Surfaces

- Powerful degreaser
- Low VOC's
- Low environmental impact
- Orange fragrance

Available Packaging
314MPE

Eclipse Heavy Duty Degreaser

Rapidly Removes Stubborn Greasy Soils

- Powerful degreasing performance
- Used for degreasing or deep scrubbing
- Sassafras fragrance

Available Packaging
396MPE

CARPET

EnviroStar Extractor & Pre-Spray Cleaner

Environmentally Preferred

- Concentrated cleaner
- Cold water extraction or spray-on application

Available Packaging
831MPE

Eclipse All Purpose Defoamer

Use In Automatic Scrubbers & Carpet Extractors

- Improves solution recovery
- Extends life of vacuum motors

Available Packaging
804RTU

EnviroStar Soil Release Bonnet Buff

Environmentally Preferred

- Concentrated cleaner
- Loosens tough soils from carpet and upholstery

Available Packaging
835MPE

EnviroStar Extraction Rinse

Environmentally Preferred

- Concentrated neutralizer
- Brightens carpet and upholstery
- Retards re-soiling

Available Packaging
838MPE

MAINTAINERS

ReBound Floor Cleaner/Enhancer

Daily Cleaner/Enhancer

- Extends the life of the coating
- Enhances burnish response
- Prevents cracks and chips
- Removes dirt and scuffs

Available Packaging
211FSE, 211MPE

EnviroStar Floor Maintainer

Environmentally Preferred Neutral Cleaner

- Concentrated cleaner & maintainer
- Mop-on or automatic scrubber application
- Enhances burnish response

Available Packaging
213MPE

LaserShot Spray & Wipe Degreaser

Powerful Spray & Wipe

- Quickly cleans tough greases, oils, lipsticks, crayons, and more

Available Packaging
323MPE

Public washroom cleaning is a hugely important part of facility management. Pioneer Eclipse line of washroom cleaning products have been developed with consideration of both safety and effective cleaning performance. Our cleaning products have been formulated for use on all types of washroom surfaces in schools, hospitals, long term care, supermarkets, offices, and public facilities.

WASHROOM CLEANERS

EnviroStar Mild-Acid Washroom Cleaner Powerful, Mild-Acid Cleaner

- Environmentally Preferred
- Effective cleaner on all surfaces
- 2.5 pH

Available Packaging
333MPE

EnviroStar Non-Acid Washroom Cleaner Powerful, Non-Acid Cleaner

- Environmentally Preferred
- Effective cleaner on all surfaces

Available Packaging
334MPE

EnviroStar Peroxide Cleaner Environmentally Preferred Cleaner for Odor Elimination

- Powerful peroxide based formula
- Excellent for all washable surfaces
- Eliminates surface odors

Available Packaging
335MPE

Blink Glass & Surface Cleaner Non-Ammonia, Non-Butyl Cleaner

- Cleans glass, mirrors, tile, metal surfaces
- Non-streaking, no residue

Available Packaging
341MPE

NeutraZene Malodor Counteractant Quickly Eliminates the Source of Organic Odors

- Encapsulates and neutralizes the source of odors
- Floral fragrance

Available Packaging
325MPE

StarShine Steel Cleaner & Polish Stainless Steel Cleaner

- Cleans & restores luster
- Leaves tarnish-resistant protective coating
- Oil-based aerosol

Available Packaging
319A12E

Eclipse Aurora HB Germicidal Disinfectant Broad Spectrum Disinfectant Cleaner & Deodorizer

- Broad spectrum germicidal, kills Hepatitis B
- Effective against SARS-CoV-2
- Fungicide, mildewstat, virucide
- Deodorizes

Available Packaging
605MPE

Eclipse Bacteria & Enzyme Cleaner/Digestant Multi-Purpose Probiotic Cleaner

- Keeps drains free of odors and clogs
- Penetrates into floor cracks/crevices
- Removes stains and odors

Available Packaging
3036MPE

WILLIAM H. "BILL" WILSON INVENTED "SHINEOLOGY"

when he was 27 years old. And not long after that he built this company around it.

He founded Pioneer Eclipse in 1978 with the introduction of a new high-speed propane powered burnisher, along with a new acrylic polymer floor coating that complimented the gloss potential of high-speed buffing. Using a new, more powerful propane powered engine, he engineered a machine to spin the buffing pad at 2,000 RPM. Bill then formulated Total Eclipse, a durable floor finish that when buffed at high speed produced the highest gloss level of vinyl floors at the time. He dubbed this new combination of machine, chemical, and process as "shineology", and it remains the ultimate goal in floor care today.

Bill Wilson was noted throughout the floor care industry around the world as a leading innovator. He was gifted with an unparalleled drive for excellence at any task he took on, whether it was cleaning floors at night as a teenager or engineering a burnisher to make those floors look perfect.

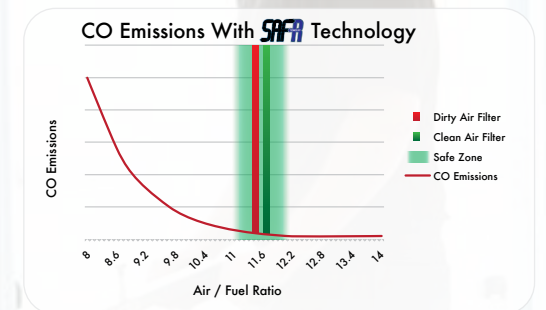

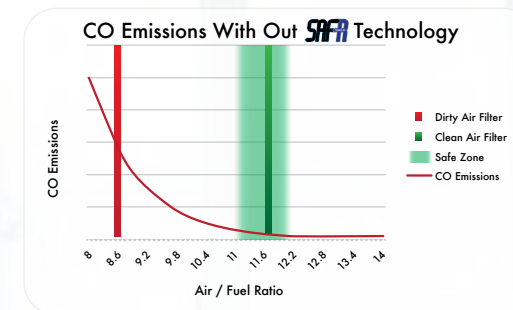

Pioneer Eclipse continues that drive for Excellence & Innovation today as we serve the floor care and janitorial industry world-wide. We are the world leaders in propane powered floor care machines, and we intend to continue our founder's legacy of "shineology" far into the future.

BUILDING THE SAFEST PROPANE POWERED FLOOR MACHINES FOR OVER 45 YEARS!

Pioneer Eclipse has been producing the industry's safest propane powered floor care machines for over 45 years. We were the first to introduce Safe-Fill cylinders, catalyzed mufflers, emissions monitoring systems, and proprietary carburation.

To go even further and provide the highest level of protection we developed **SAFR™ Technology**. The SAFR (*Steady Air Fuel Ratio*) Technology system monitors the pressure between the air filter and the carburetor. As the air filter becomes dirty, the pressure decreases. With **SAFR™ Technology**, this change in pressure results in a reduction in fuel delivered to the engine. The net result is a Steady Air Fuel Ratio no matter the air filter condition.

Regardless of your application or the model of machine you use, you can rest assured your Pioneer Eclipse propane powered machine is well equipped to keep your operators safe.

Pioneer Eclipse Propane Safety Features:

- ✓ SAFR Technology
- ✓ EcoSense Emissions Monitoring
- ✓ SafeStop Smart Fuel Monitor
- ✓ Proprietary Carburation & Valve System Reduces CO Output
- ✓ 3-way Catalytic Muffler Reduces CO, NOx, and HC
- ✓ Optimized Fuel Metering
- ✓ Safe-Fill Propane Fuel Cylinders
- ✓ Operator Presence Automatic Shutoff System

BURNISHERS

Pioneer Eclipse engineers and manufactures a diverse line of burnishers that include propane powered ultra-high speed (UHS) machines, corded electric machines, and UHS battery burnishers.

Pioneer Eclipse propane powered machines have set the industry bar for over 45 years. These machines feature powerful 18HP industrial engines converted to propane gas operation with our proprietary **Eclipse Power System (EPS) technology**. This technology allows these machines to consume less fuel and require less maintenance than any other machines in this class.

- 34% Less Fuel Consumed
- 5 Times Longer Oil Change Intervals

All of Pioneer Eclipse's propane machines come equipped with SAFR technology to keep CO levels low in all operating conditions, and offer optional EcoSense and SafeSense emissions monitoring systems.

If you have experienced inconsistent results with battery powered burnishers, then you haven't used Pioneer Eclipse line of machines. SteadyOne™ technology is built into every Pioneer Eclipse battery burnisher, automatically adjusting head pressure to changing floor conditions and changing pad condition, producing consistent results every time.

Pioneer Eclipse offers burnishers for every floor care situation. Our corded electric burnishers provide versatile function and efficiency for smaller spaces and spot repairs.

CORDED FLOOR BURNISHERS

225BU
A solid and durable electric burnisher available with dust control.

- Performance: 15,000 ft²/hr (1380 m²/hr)
- No slip, micro-V belt drive transmission
- Pad speed 1,500 or 2,000 rpm

Pad Size	Dust Control	Pad Speed	Weight
20" (51 cm)	N	1500/2000 rpm	76 lbs (35 kg)
20" (51 cm)	Y	1500 rpm	76 lbs (35 kg)

BATTERY FLOOR BURNISHERS

300BU
Ultra High Speed Battery Burnisher
UHS burnishing performance available in three sizes.

- TPPL Batteries: The most reliable on the market
- SteadyOne Technology: Auto adjusting pad pressure for consistent burnishing
- Quiet: 68 db (A)
- Performance: Up to 35,000 ft²/hr (3200 m²/hr)

Pad Size	Pad Speed (No Load)	Pad Speed (Load)	Weight
20" (56 cm)	2200 rpm	1500 rpm	600 lbs (118 kg)
24" (66 cm)	2200 rpm	1500 rpm	610 lbs (123 kg)
27"/28" (69/71 cm)	2200 rpm	1500 rpm	660 lbs (299 kg)

350BU
Ultra High Speed Battery Burnisher
Lithium ion battery technology delivering best in class burnishing performance.

- True Propane-Like Burnishing Performance
- Most Durable Battery Burnisher Available
- Lowest Cost of Ownership

Pad Size	Pad Speed	Weight
28" (71 cm)	Variable Speeds 930 rpm - 1,1550 rpm	417 lbs (189 kg)

Lower Cost of Ownership

- 5 year battery warranty
- Saves cost by eliminating battery replacements

+
 =

 No Battery Replacements + No Service Downtime = Lower Cost of Ownership

Quiet Running Machine

- <70 dBA

PROPANE FLOOR BURNISHERS

400BU
A basic workhorse with the performance and safety features of higher priced machines.

Pad Size	Pad Speed	Weight
21" (53 cm)	2000 rpm	187 lbs (85 kg)
28" (71 cm)	1500 rpm	200 lbs (91 kg)

420BU
Upgraded burnisher with features designed to meet the needs of demanding professionals.

Pad Size	Pad Speed	Weight
21" (53 cm)	2000 rpm	215 lbs (97 kg)
24" (61 cm)	1800 rpm	221 lbs (100 kg)
28" (71 cm)	1700 rpm	234 lbs (106 kg)
40" (2 x 53 cm)	1850 rpm	340 lbs (154 kg)

440BU
A fully optioned premium burnisher to satisfy discerning floor care professionals.

- "Operator Presence" automatic shutdown safety feature
- Advanced operator ergonomics

Pad Size	Pad Speed	Weight
21" (53 cm)	2000 rpm	242 lbs (97 kg)
24" (61 cm)	1800 rpm	248 lbs (100 kg)
28" (71 cm)	1500 rpm	262 lbs (119 kg)

FLOOR MAINTENANCE MACHINES

Polishing, scrubbing, stripping, carpet cleaning, even air purifying... Large schools and malls, offices, environmentally sensitive spaces... Pioneer Eclipse offers maintenance machines for every facility type.

Our corded electric rotary machines provide versatile function and efficiency for smaller spaces and spot repairs. Our automatic scrubber comes standard with traction drive and easy control throttle for simple and reliable walk-behind productivity. When it comes to stripping large areas on a tight schedule, our propane powered machine removes finishes faster than any other machine on the market.

▶ Instructional video

STRIPPING MACHINES

250ST
A high speed orbital electric machine for tough strip or scrub applications.

- Performance: 3600 orbits per minute
- 12 in x 18 in pad
- 2.5 Gallon (9 liter) solution tank

Pad Size	Pad Speed	Weight
12"x18" (30.5 x 45.8 cm)	3600 opm	125 lbs (57 kg)

440ST
This highly productive stripping machine **removes finishes faster** than any other machine on the market.

- Dual counter-rotating drivers
- Quick-change pads and brushes
- Simple and easy operation

Pad Size	Pad Speed	Weight
30" (76 cm)	325 rpm	365 lbs (166 kg)
38" (96 cm)		435 lbs (197 kg)

AUTOSCRUBBER

310AS Auto Scrubber
A simple and reliable walk-behind automatic scrubber.

- Performance: 18,800 ft²/hr (1750 m²/hr)
- Two 12V, 150 AH batteries
- Traction drive with hand throttle
- 12 Gallon (45 liter) solution tank
- 12 Gallon (45 liter) recovery tank
- Pad size: 20 in (50 cm)

ROTARY FLOOR MACHINES

225FP
Corded electric floor machine delivers high torque for consistent polishing.

- Performance: Triple Planetary Drive
- 17 in: 6,000 ft²/hr (557 m²/hr)
- 20 in: 7,000 ft²/hr (650 m²/hr)

Pad Size	Pad Speed	Weight
17" (43 cm)	175 rpm	91 lbs (41 kg)
20" (51 cm)	175/320 rpm	95 lbs (43 kg)

AIR PURIFIER

250AP Air Purifier

Significantly reduces airborne bacteria and viruses known to negatively affect indoor air quality.

- >99% Reduction of a microorganism similar to SARS-CoV-2 and Rhinovirus in 5 minutes
- 2-Stage filtration with HEPA
- Broad spectrum germicidal UVC light

GRINDERS & POLISHERS

Pioneer Eclipse's line of grinding & polishing machines offers solutions for a wide range of restorative and maintenance procedures. Electric or propane powered, all of these machines come standard with onboard solution tanks and accept a variety of pad and diamond disc driver plates.

The propane powered machines are powered by industry leading engines equipped with EcoSense emissions monitoring as well as SAFR Technology to keep CO levels low in all operating conditions. These powerful 18HP industrial engines have been converted to propane gas operation with our proprietary **Eclipse Power System (EPS) technology**. This technology allows these machines to consume less fuel and require less maintenance than any other machines in this class.

225GP

A Multi-Purpose Hard Floor Machine for **polishing, stripping, sanding, and coating removal.**

- Floor Types: All hard floors, including wood
- Performance: 6,000 ft²/hr (557 m²/hr)
 - 17 in (43 cm) Triple planetary gear drive
 - 2-Speed, 1.5 HP motor
 - Driver speed 175 or 300 rpm
 - 2.5 Gallon (9 liter) no-spill solution tank
 - Dust containment port for dry applications
 - Splash/Dust skirt for wet applications

Driver Size	Pad Speed	Weight
17" (43 cm)	175/300 rpm	95 lbs (43 kg)

420GPHD

A heavy-duty propane powered machine for **grinding, polishing, and burnishing.**

- Floor Types: Concrete, terrazzo, marble
- Performance: 18HP EPS™ engine
 - Grinding/Polishing: 11,000 ft²/hr (1022 m²/hr)
 - Burnishing: 25,000 ft²/hr (2322 m²/hr)
 - Pad Pressure: 85lb (38kg) – 180lb (82kg)
 - 7 Gallon (26.5 liter) on board water supply
 - RokBak™ deck for easy diamond and pad installation
 - Dust containment port for dry applications

Driver Size	Pad Speed	Weight
21" (53 cm)	Polishing: 1000 rpm Burnishing: 1500 rpm	380 lbs (172 kg)

450GP

A multi-purpose propane powered machine for **grinding, polishing, and burnishing.**

- Floor Types: Concrete, terrazzo, marble
- Performance: 18HP EPS™ engine
 - Grinding/Polishing: 6,000 ft²/hr (557 m²/hr)
 - Burnishing: 18,000 ft²/hr (1672 m²/hr)
 - Pad Pressure: 200lb (91kg) – 500lb (227kg)
 - 9 Gallon (34 liter) on board water supply
 - RokBak™ deck for easy diamond and pad installation

Driver Size	Pad Speed	Weight
2x17" (2 x 43 cm)	Grinding: 210 rpm Polishing: 420 rpm	880 lbs (399 kg)

20" Strip Brush
BA012800
use with 440ST38

STRIPPERS

Part #	Description	Applicable Machines
BA013000	16" Strip Brush	440ST30
BA013500	16" Tufted Pad Holder	440ST30
BA012800	20" Strip Brush	440ST38
BA013700	20" Tufted Pad Holder	440ST38

CORDED FLOOR MACHINES

Part #	Description	Applicable Machines
460908	Brush Asm Polish 16"	225FP17, 225GP
51705A	Brush Polypro Scrub 16"	225FP17, 225GP
460918	Brush Asm Stl Wire 16"	225FP17, 225GP
56383926	Tool-Mastic Removal-16	225FP17, 225GP
56383930	Tool-Conc Prep-25 Grit-16	225FP17, 225GP
460215	16" Sanding Adapter	225GP16, 225GP
53158A	16" Perma-Grip Driver Pad	225FP17, 225GP
37008A	16" Super Grip Pad Driver	225FP17, 225GP
37007A	Pad Driver - 15 Supergrip	225FP17, 225GP
MP481100	17" Pad Holder	225FP17, 225GP
10242A	17" Pad Driver	225FP17, 225GP
51499A	Brush Nylon Carpet 17"	225FP17, 225GP
500212	Adapter Asm Grinding 17"	225GP
30638A	17" Pad Driver	225FP17, 225GP
MP522800	17" Mal-Grit Xtra Brush	225FP17, 225GP
SA031600	HydraSand	225GP
50866A	19" Pad Driver	225FP20
53156A	19" Perma-Grip Pad Driver	225FP20
37011A	19" Super Grip Pad Driver	225FP20
56383936	Tool-Mastic Removal-19"	225FP20
56383937	Tool-Conc Prep-25 Grit-19"	225FP20
MP478400	20" Pad Holder	225FP20
51707A	Brush Polypro Scrub 20	225FP20
MP254800	20" Nylon Carpet Brush	225FP20
51707A	20" Polypro Scrub Brush	225FP20
MP522900	20" Mal-Grit Xtra Brush	225FP20, FM2000

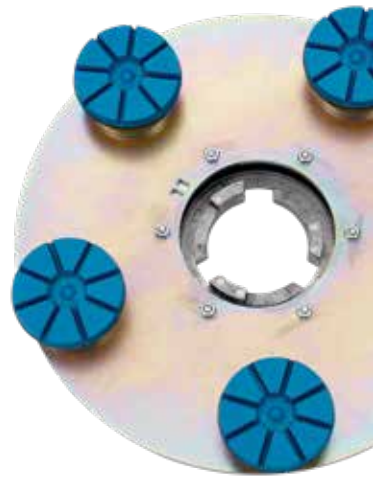

17" Hex Multi-Face Diamond Driver Head
MP442000
use with 450GP

HydraSand
SA031600
use with 225GP

GRINDERS & POLISHERS

Part #	Description	Applicable Machines
SA031900	HydraShine	225GP
MP178800	17" Tufted Pad Holder	450GP
MP179100	17" Mal-Grit Xtra Brush	450GP
MP442000	17" Hex Multi-Face Diamond Driver Head	450GP
MP406700	83mm Hex Multi-Face Diamond Holder Assembly	420GPHD, 450GP
MP309200	83mm Diamond Holder	420GPHD, 450GP
MP446300	21" 420GP Pad Holder	420GPHD
MP392600	21" Level-S Adapter Pad	420GPHD
MP463200	21" Diamond Driver	420GPHD

HydraShine
SA031900
use with 225GP

PROPANE BURNISHERS

Part #	Description	Applicable Machines
MP032500	28" Premium Pad Holder	420BU28 & 440BU28
MP047500	24" Premium Pad Holder	420BU24 & 440BU24
MP095200	21" Premium Pad Holder	420BU21 & 440BU21
MP269400	21" Hi-Flex Pad Holder	400BU21 & 420BU40
MP351200	28" Hi-Flex Pad Holder	400BU28
MP8505	Pad Retainer	420BU21 & 440BU21
MP012700	Pad Retainer, (screw)	420BU24-28 & 440BU24-28

BATTERY BURNISHERS

Part #	Description	Applicable Machines
MP414000	20" Pad Holder	300BU20
MP435000	24" Pad Holder	300BU24
MP529400	27"/28" Pad Holder	300BU2728
MP432400	Pad Retainer	300BU

SCRUBBER

Part #	Description	Applicable Machines
SZ033	20" Scrub Brush, Nylon	310AS
TS037	20" Pad Holder	310AS

Disc, 5", Polish 3
DP311P3K

5" POWERPOLISH CONCRETE & TERRAZZO DIAMONDS

Part #	Description	Use
