

Lumen

When the most important decision making factor is price, Lumen is the answer. These products are formulated using high performance materials, but with a budget in mind. The floor care experts at Pioneer Eclipse have developed coating and cleaning systems based on facility traffic, usage, and environment. These products are:

- Reliable solutions for all flooring needs.
- Versatile and suitable for various floor traffic conditions.
- Durable and maintain a “wet look” over time.

Floor Coatings

Lumen floor coatings are an advanced acrylic co-polymer blend. These floor coatings are repairable and durable. They are a wax blend so they provide a high gloss burnish response and can eliminate any scratches and wear patterns.

- Lumen L122
- Lumen L142
- Lumen L143
- Lumen L144

Available in a variety of solids for all of your floor care needs.
