

StarShine Stainless Steel Cleaner & Polish is ideal for stainless steel, chrome, aluminum, brass, copper, and most other metal surfaces. This product will clean and restore a high luster while leaving a tarnish-resistant protective coating on the surface.

DIRECTIONS

Read all directions and Safety Data Sheets (SDS) before using.

1. Remove protective cap. Spray onto surface to be cleaned liberally.
2. Wipe with a clean, damp cloth leaving a small amount of residue on the surface. With a clean, dry cloth, polish to a high luster.
